NOTES:

- Fill in a new form for each swimmer.
- Please ensure that the writing is legible especially email addresses and phone numbers.
- For swimmers please ensure the Middle initial is present if the swimmer has one. This is used to build the swimmers New Zealand Registration Number. The registration number is being used by Take your Marks and the new Swimming New Zealand database. It is important that we have the correct information for our swimmers.
- The club fees are made up of the Swimming New Zealand and Wellington Swimming Association affiliation fees which total \$65.00 plus a small amount for the club (in most cases)
- This year we are offering a discounted rate for members who have never been registered with SNZ.
- The financial year of the club is changing to align with the Swimming New Zealand Financial Year. Other clubs and Wellington Swimming Association will also be aligning. The benefit to you is you get one extra month free.

If you have any questions, please contact a member of the board.
